Youth Night Recap Thanks to all parents for allowing their children to come to the last youth night at Assumption. We had a great turn out with around 40 students. We started with a sloppy joe dinner and played a chaotic large group game. We then had our speakers, Brandon and Tonia Clark, discuss preparing ourselves for our future spouse and the importance of staying chaste. After that we dove into Adoration and the students had an opportunity to receive Reconciliation. I'm very impressed with some students going out of their way to invite friends that I haven't seen before. The Holy Spirit is definitely working during these nights! The next night will be March 19th at St. Anthony.
