Would you sing with the choir occasionally?

There will always be about 5 'regular' choir members there to carry the music, so no pressure. All ages welcome! I will send out practice videos the week before to practice at home. A dozen voices sound melodious, so having 7 'extras' each Sunday would be great! (The large choir is split into mini-choirs for the summer). Scan the code to sign up! -Becky

Feast of St. Benedict

Have you ever wanted to change the world? 5th century Europe was a dark place. The Roman Empire had fallen, and barbarian tribes were picking over the scraps of what remained. Faith hung on, but there was no consistent, coherent Christian culture in the world around. Young Benedict began his life with education and privilege but became disillusioned by a life pursuing material success. He withdrew to a monastery and spent much time in solitude. He began attracting followers, whom he organized over time into 12 monasteries, with a 13th established to train young monks. He wrote a rule of life including basic principles for living as Christ. His monks took three vows: conversion to Christ, obedience to the local abbot, and stability to remain with the community. Benedictine monasteries became lights in the darkness, secure centers of Christian culture enlivening the faithful beyond their walls. When the world around us seems complicated and contrary to the Gospel, how will you be a light?
